

MEMORANDUM FOR: Director of Training

Rod:

1. I have received [] history of Donovan on the origin of CIA. When time permits, we will dig deeper into the background of the origin of the history. All I know now, and based primarily on input from [] is that the history appears to have been written outside the parameters of an Agency historical program. STATINTL

2. There may, however, at the moment be some spin-off value to the document. The Staff of the Senate Select Committee expresses an intent to write a history primarily on the origins of CIA. Being aware of that I have sent a copy of []'s work to [] to determine if it may have any value in connection with the intent of the Senate Staff. STATINTL
